

Dear Alex,

It's me, Mat. I bet it's pretty cold up there but it's pretty warm down here in the Ozarks. Why don't you come on down here?

Just think of it. You, me and maybe some camping outside on a nice Ozark night, or we can go swimming in the lake on a hot day and travel on the backroads.

Another day we would probably go to Silver Dollar City up in Branson to ride the rides and become soaked from head to toe.

The next day we would go to the state park and ride bikes down to the lake and go fishing.

So Alex, if you're planning to come down to the Ozarks and have some fun, get packing!

Sincerely,
Mat
