

Know the FACTS about Phones

**NATCO shows how a traditional “land line”
home or business phone provides safety, security,
superior service, and outstanding value.**

[more on reverse]

- FACT:** Emergency 911 can only retrieve a physical address from traditional phones as of February 2007 in Marion County.
- FACT:** Home and business security systems connect to traditional phones. (predominant on existing systems)
- FACT:** Superior transmission by traditional phones - clear, no dropped calls, private connections. (land lines do not use radio frequencies)
- FACT:** Financial help offered to low-income households - ask about Link-up and Lifeline.
- FACT:** Phone number listings and phone book provided. (be able to find numbers of businesses, neighbors)
- FACT:** Cost is less than \$1 per day:
Monthly Res. Local Service \$14.15
+ federal line charge \$6.50 = \$20.65 (plus tax)
Monthly Single-line Bus. Local Service \$24.40
+ federal line charge \$6.50 = \$30.90 (plus tax)
