

Group Connect

Simple Solution for Instant Communication

Need a convenient way to notify a large group of people? NATCO Communications has the solution! **NATCO Group Connect Service** is the **easy and affordable** way to get messages to your group in a **flash**.

NATCO Group Connect allows you to:

- Notify your group via e-mail, text message, and/or phone.
- Store up to 20 custom messages to send your group in an instant.
- Manage everything from our convenient, easy-to-use web portal.

Interactive Capabilities

NATCO's interactive Group Connect service even allows the call recipient to press a number in response to a question in your message (for a survey, poll, or vote) as well as press a number to be transferred for more information (to a voice mail message or to a telephone number).

NATCO Group Connect Service is perfect for:

- **Businesses** – *appointment reminders, order pick-ups, sales, special offers, shift cancellations, surveys, and polls.*
- **Schools** – *events, school board meetings, conferences, inclement weather cancellations*
- **Non-Profits** – *registrations, meetings, special events, fundraisers*
- **Volunteer Groups** – *work sessions, meetings, emergency alert notifications*
- **Government Offices** – *boil water orders, offices closed, jury duty reminder/cancellation, tax deadlines*
- **Political Groups** – *constituent voting messages, surveys, polls, rally reminders*
- **Churches** – *prayer chains, special events, youth activities, daily devotionals*

NATCO Group Connect Service is available to customers inside and outside NATCO's service area.

The convenient service is easy to use, saves time, and keeps everyone in your group up to date. Simply ...
